Dear Robert Nugent

### **PREMIER'S SUSTAINABILITY AWARDS**

I would like to congratulate Vega Press on winning the highly coveted Premier's Recognition Award and the Small Business category of the 2010 Premier's Sustainability Award.

The exemplary achievements of Vega Press in becoming Australia's first business to gain international certification (ISO 14064-1:2006) for greenhouse gas verification from SGS Australia and meet internationally recognised standards for measuring and reporting greenhouse gas emissions is a clear demonstration of how small businesses can make big differences in their environmental impact.

The challenge of climate change needs to be urgently addressed by all of us and I commend you on your initiative in creating solutions that contribute to a more sustainable future for our state.

Sustainability Victoria will continue to be in contact with you regarding the Premier's Sustainability Awards Alumni and provide you with information on how it can assist in promoting your organisation as a sustainability champion for Victoria.

I commend you on your success and I look forward to seeing entries from you in future years.

Yours sincerely

THE HON. JOHN BRUMBY  
Premier of Victoria
